MOA Birthday Celebrations Policy

Birthday celebrations are for non-instructional times. All birthday treats brought in **MUST** be store-bought with all nutritional labels clearly visible on the package. The labels must include all ingredients including the carb count. This will allow us to establish the carb count for inulin administration. We ask that you contact your child's teacher for specific arrangements. Food must be served by the teacher in the common area or any outdoor picnic areas. If you are looking for a non-food alternative, goodie bags with pencils, stickers, etc. are always a good treat to share.

Balloons, signs, banners, or flowers are not permitted at school. Having balloons delivered or brought to school is **not** allowed. Thank you for adhering to these expectations and guidelines as we keep all students healthy and safe.

Birthday invitations to parties outside school are only allowed to be distributed at school if every child in the classroom is invited to the celebration.

We appreciate your support and understanding with this policy.

Gratefully together,

Your proud MOA Administration Team
