WHAT IS PBIS?

School-wide Positive Behavioral Interventions & Supports (PBIS) is a proactive, team-based framework we use to teach and encourage positive behavior, helping students succeed socially, emotionally, and academically.

Rather than focusing only on consequences, PBIS emphasizes prevention, positive reinforcement, and consistency. It helps create a safe, respectful, and predictable environment where students know what is expected of them.

CLEAR EXPECTATIONS: We teach 5 simple, positive expectations across all settings.

HOW PBIS WORKS AT MOA

EXPLICIT TEACHING: Just like we teach math or reading, we also teach behavior. Students learn what positive behavior looks and sounds like in each area of the school.

CONSISTENT CONSEQUENCES: We use the St. Johns County Schools Student Code of Conduct to provide fair and consistent consequences while looking at what supports or reteaching students might need.

HOW PBIS LOOKS AT MOA

COMMON LANGUAGE: We use consistent words, phrases, and expectations that all staff and students use when talking about behavior. It helps everyone in the school understand what's expected and how to respond.

STAFF: "M-O-A"

STUDENTS: "THE TIGER WAY!"

PBIS REWARDS

PBIS Rewards is a digital platform MOA uses to reward our students for following The TIGER way expectations. Our students earn points throughout the day by meeting our behavior expectations. These rewards are in the form of electronic points. Your child may redeem their points at the end of each month in the school-wide store, raffles, and events!

As a parent, you can download the Family App, where you can view your child's points earned. If you need assistance logging on, please contact your child's homeroom teacher. Your child can download the Student App where they can use their Clever ID and password to get started. They can purchase items from the store using the Student App!
